INDUSTRIAL ALUMINIUM INGOTS

ALUMINIUM ALLOY INGOTS

NON FERROUS METAL MELTING FURNACES

About Us

Columbia Machines Co. is a name that has earned accolades and acclaim as an eminent manufacturer and supplier of superior-quality industrial products in the industry. Our company is situated at the top position in the market and customers from all over the nation keep their faith in us for purchasing the best-in-class Hydraulic Power Packs, Universal Shredders, Oil Filtration Units, Aluminium Alloy Ingots, and more. Our products are worthy as we design and create them using 100% precision. We are supported by our team of professionals in this. They make use of the finest quality raw materials and our robust infrastructure. Therefore the product range that they help us create and offer is remarkable, exceeding the expectations of our customers.

Besides, all the orders for the aforementioned products are delivered to the desired locations of our customers on time. Because we pack the products using appropriate packaging methods and materials, the products do not get damaged during the shipment process and reach the destination in the same condition as they left the warehouse.

Key Facts

No of Staff	10
Year of Establishment	1994
OEM Service Provided	No

Our Products

Industrial Aluminium Ingots

Heavy Duty Hydraulic Broaching Machine

Hydraulic Baling Press Machine

Mild Steel Universal Shredder

Heavy Duty Hydraulic Cylinder

Industrial Hand Operated Furnace

Hydraulic Oil Filtration Unit

Commercial Hydraulic Press

Aluminium Alloy Ingots

Non Ferrous Metal Melting Furnaces

Skelner Furnace

Industrial Hydraulic Power Pack

Crucible Furnace

ADDRESS

338, Pandav Nagar, Industrial Area, Bulandshahr Road Ghaziabad, Uttar Pradesh, India (201002).
